LITTLE MINAM RIVER
#1908 to #1673 to #1919 to #1918 to #1942

TRAIL BEGINNING:
Moss Spring Trailhead

TRAIL ENDING:
Moss Spring Trailhead

ACCESS:
Take State Highway #237 from Island City 12 miles to Cove. Take Forest Road #6220 from Cove (sign says Moss Springs Campground Trailhead) 8.2 miles. This road is very steep.

ATTR ACTIONS:
You will travel through dense forested land, following the winding Little Minam and Minam Rivers. Dispersed camping sites are plentiful. You will find some good fishing spots along the way and observe the historic Horse Ranch along this route.

CONSIDERATIONS:
Northwest Forest Passes are required at Moss Springs Trailhead.
There is parking at the trailhead with stock loading ramp and hitch rails. Vault toilets are available. There are signs at the trailhead, boundaries and junctions. Watch for bears in this area, especially in late August and September. There is water along the entire route for stock, but carrying your own drinking water is recommended.
Length: 27.7 miles round trip

Distance to junction points:
- Trail #1673 7.5 miles
- Trail #1919 5.8 miles
- Trail #1918 5.5 miles
- Trail #1942 1.1 miles

Restrictions: See Eagle Cap Wilderness Regulations

Recommended Season: Summer and fall

Use: Heavy use in summer and fall (horses and hikers)

Difficulty: Easy to most difficult

Elevation:
- Trailhead 5,842'
- Big Burn 4,147'
- Junction w/trail #1918 7,678'

Please refer to National Forest map for complete trail system.
